

## ENECON's DuraQuartz Is Developing Quite A Reputation in Michigan

Everybody has damaged concrete, and everybody has tried some type of conventional patching material that has typically failed.

To prove this point, the local ENECON Field Engineer confirms that he has sold DuraQuartz systems to a host of different clients...from courthouses, schools and municipal pools to chemical manufacturers, sewage plants and the automotive industry.

Applications include...steps, joints, retaining walls, truck ramps, chemical areas, pool decks, etc.

ENECRETE DuraQuartz is the finest concrete repair material money can buy!
